**Commissioner for Patents**

The present Office action is made in response to the filing of the drawings of 6/15/2009.

The set of seven replacement sheets contained figure 1-7 as filed on 6/15/2009 have been received by the Office. A review of the drawings filed by applicant on 6/15/2009 has yielded the following conclusions: First, the replacement sheets contained figures 2-7 are approved by the examiner, and Second, the replacement sheet contained figure 1 is not approved by the examiner because the figure 1 still contain numerical references "21" and "31" which are not supported by the specification. Applicant is respectfully invited to review the Office action of 10/3/2005, pages 2-3, elements (3-5), the drawing correction to figure 1 as filed by applicant on 12/5/2005, and the Office action of 1/30/2009, element (4).

Attached is the set of drawings filed by applicant on 6/15/2009 with notes of the examiner's decisions.
